

Školení Canvy: Základy grafiky nejen pro marketáky

Course code: H1GSS

How to do graphics without a graphic designer? Discover the Canva platform. With Canva training, you'll learn how to create impressive graphic designs in minimal time. After the training, you will be able to edit a photo, video and you will be able to create a simple website. Canva is synonymous with a visual communication platform. At the same time, it has retained a unique accessibility - working in it will not frustrate you, but inspire you. We guarantee that you will fall in love with her after the workshop.

Who is the course for

- A complete layman who has never used any graphics application.
- A business owner who is also a social specialist, copywriter and content manager of the entire company in one.
- A marketing specialist who doesn't have a graphic designer on hand.
