

HackerFest 2024 HYBRID

Course code: HACK24

We would like to invite you to the HackerFest 2024 conference, which will take place on 26 September 2024 in Prague. You can look forward to interesting lectures by TOP Czech and Slovak experts from the world of ethical hacking and IT security. The conference will be a hybrid event. Who is the conference for? For CIOs, IT directors and managers, IT security managers, security specialists and all those interested in the topic of IT security, hacking and ethical hacking. In addition to your ticket, you will also get 10-day access to the lecture archive.

We are preparing a programme for you. More information about the conference can be found at www.hackerfest.cz.
