

# Microsoft Word – In Practice

Course code: MSWD2

Complete this course and get 90 days access to practice in e-learning version for free. You can choose the e-learning course in Czech, Slovak or English. This course is designed for users, who work with Microsoft Word on basic level. They will learn the basics of typography and will be able to effectively create, edit, format and print usual documents. This course is suitable for users of every version of Microsoft Office products. Word is a well-matured application and control of its interface has not changed significantly since the 2007 version. There will be latest Word version installed in the classroom.

Affiliate	Duration	Course price	ITB
