

# Školení Google Analytics 4

Course code: H1GOA4

During the training, we will help you find your way around the GA4 user interface, you will learn how to read data, and you will also try creating custom reports and analyses yourself. When you're measuring data about what's happening on your website, it's also useful to be able to read it. Google Analytics 4 offers many ways to view data. We will be happy to guide you through the GA4 user interface so that you can read the information that is important to you from the measurement data.
