

# Microsoft Word – Basic Course

Course code: MSWD1

Complete this course and get 90 days access to practice in e-learning version for free. You can choose the e-learning course in Czech, Slovak or English. This course is designed for users, who need to learn basic work with Microsoft Word and want to create, edit, format and print text documents. This course is suitable for users of every version of Microsoft Office products. Word is a well-matured application and control of its interface has not changed significantly since the 2007 version. There will be latest Word version installed in the classroom.
